Canaves Oia Suites Santorini

Descriere Canaves Oia Suites Santorini 5*

Carved into the Cliffside, Canaves Oia Suites were traditional wineries of the 17th century that have been modified and transformed into elegantly designed luxury suites, emitting the brightness of Santorian architecture in a sophisticated ambience. All suites ooze the elegance of minimalism, while contemporary comforts, vast spaces and private plunge pools with stunning views to the Aegean Sea reach the ultimate levels of luxury. Access to all suites is comfortable and convenient within least steps and elevator access to all levels of the property. Blending spectacular vistas of the charming Caldera with over the top accommodation and impeccable service, those luxury suites in Oia, Santorini will charm even the most eclectic guests.
