

Hilton Seychelles Northholme Resort & Spa

Insula Mahe, Seychelles

Descriere Hilton Seychelles Northholme Resort & Spa 5*, Insula Mahe, Seychelles

This exquisite hotel in Seychelles is a very secluded retreat, which is comprised completely of private villas, which are either perched on lush hillside or nestled amongst the secluded beach coves of Beau Vallon Bay. Around a 31 minute drive from Seycehlles international airport, closeby is the City Centre around 6 kilometres away, and 8 kilometres away is Botanical Gardens, where visitors can explore the gardens which contribute towards the national efforts in environmental education, plant conservation, landscape management, passive recreation and eco-tourism. Facilities in the hotel include a restaurant with freshly prepared local seafood and traditional Creole Cuisine for guests to discover an enchanting dining experience. An infinity pool with Turquoise waters and a stunning daytime backdrop, guests can stay active in the fully equipped 24-hour fitness centre or indulge in a range of treatments at the spa which is spectacularly perched on giant granite boulders overlooking the azure Indian Ocean. The villas are nestled either in the hillside in the tropical forest or perched above the oceanfront , the rooms are very spacious with a modern simple design and a luxurious private bathroom which includes a hairdryer. Tea and coffee making facilities are also included. All the villas are thoughtfully designed and beautifully finished to ensure guests enjoy perfect comfort and convenience during their stay. HILTO
